

SUB SAHARA TOBACCO ENVIRONMENTAL POLICY STATEMENT

Sub-Sahara Tobacco is committed to conducting its operations in an environmentally responsible, lawful and sustainable manner. We recognize our responsibility to protect the environment, prevent pollution, conserve natural resources and promote sustainable tobacco production throughout our operations and supply chain.

We are committed to complying with all applicable environmental laws and regulations, continuously improving our environmental performance, reducing greenhouse gas emissions, using water, energy and other resources efficiently, protecting biodiversity, preventing deforestation through afforestation and reforestation initiatives, and promoting responsible waste and chemical management.

We will work collaboratively with our employees, contractors, suppliers, contracted growers, communities and other stakeholders to embed sound environmental practices, support climate resilience and encourage innovation that minimizes environmental impacts. Through effective governance, regular monitoring and continual improvement, we aim to strengthen environmental stewardship while creating long-term value for our business, our growers and the communities in which we operate.

This Environmental Policy Statement guides our commitment to sustainable development and applies to all Sub-Sahara Tobacco operations, employees, contractors, suppliers and contracted growers.
